To whom it may concern:

It is my pleasure to write this letter of recommendation on behalf of Dan Hickey.

Mr. Hickey is truly an extraordinary human being. I've never known anyone who has more energy, zest, enthusiasm and youth. He always has about 16 activities going at once. He teaches full time at Skyline; he teaches at the Community College. He is the district negotiator for the Oakland Education Association (OEA/NEA although he's at heart an AFT person); he's the district specialist on health care plans, and he's the local site organization representative. He has directed the U S Rugby Union. He plays basketball regularly. He's close to retirement and has a six month old son. He has fun. He sets high standards; he's tough and firm; he has no discipline problems; and he insists that his students learn.

I have been at Skyline and known Mr. Hickey for only three years. As a result, I'm not familiar with lots of the things he has done. I do know that he taught business, typing, government, U.S. History, Economics. He has been the cheerleader advisor, Faculty Advisory Council member and chairperson, Instructional Council member. He's a constant leader and watchdog - he can always be counted on for suggestions, initiatives, ideas and fresh perspectives on getting things done. Dan is a person who makes Skyline work, and he always has.

Finally, Dan is an all around person. He's helpful, he's fun, he's active, he's alive - Dan is a person who does what he says he will do, and do it well. He can do anything he decides he will do. I unhesitatingly recommend him. If you have any questions, please feel free to call.

Sincerely,

TO WHOM IT MAY CONCERN:

RE: Mr. Daniel M. Hickey
Letter of Recommendation

It is a pleasure to write a letter on behalf of my good friend and former colleague, Dan Hickey. I worked with Dan for six years at Skyline High School where I served as Dean of Students and Vice-Principal in charge of curriculum. At that time, Dan was Chairman of the Business Department, but had many years of experience in social studies where he taught American government, U.S. history, economics, sociology, and international relations. He has had nothing but outstanding evaluations.

In the classroom, Dan was efficient, well-organized, a strick disciplinarian who always had control of the class and close student-teacher relationships with his students. He was very popular with faculty, students and administrators. Dan served as Chairman of the Faculty Council for four years, was the Union Building representative, and sponsored many clubs including the cheerleaders (10 years), the Black Students Union, the Vietnamese Student Union, the Chess Club, the Aerospace Club. In addition, Dan formed the Skyline High Rugby Club and coached the team for ten years.

His colleagues elected him to the Oakland Education Association Executive Committee and he served as chairman of the OEA Bargaining Team for three years. He also served on the Oakland Schools District Safety Committee helping to write the guidelines for the District, and was the Union representative on the District Cost Containment Committee.

To say that Dan was "involved" is putting it mildly. Teachers always sought his advice and direction and he represented them professionally and intelligently. I always considered Dan a personal friend as well as a colleague and he was always available for any assistance I might need.

I have absolutely no hesitation in recommending Dan to any position he aspires to in the San Francisco Unified School District. His retirement after 34 years of faithful service in Oakland was a big loss for Skyline students as well as all the teachers he represented in OUSD. He is a man of character, honesty and integrity.

If you would like any further information, please do not hesitate to contact me at the above address and phone number.

Sincerely yours,

Mr. Charles Bayless

Vice-Principal, Oakland High School

Dear Mr. Hickey:

Thank you so much for your generous contribution to the San Francisco-Manila Sister City Committee.

Your contribution will go towards supporting the economic, cultural and people-to-people exchanges and projects of the Committee; particularly, the Aurora Quezon Memorial Health Center in Tondo, Manila. The Center provides health care to the children and families in the poorest section of the Philippines.

Your support is greatly appreciated as we pursue the people-to-people exchanges with a nation and city that has so many ties to San Francisco.

Again, a million thanks for your help!

Warmest regards.

Dear Mr. Dan Hickey,

This is primarily a letter of thanks. In the meeting of the Executive Board of the VIETNAMESE COMMUNITY, in the night of July 2, 1976, I told my friends about your spontaneous intercession on our behalf with the Education authorities of Oakland, the previous day. In another meeting, yesterday afternoon with the Chapter of San Francisco of the Vietnamese Community, I repeated the same story. In both case unanimously my friends asked me to thank you and to convey to you their following wishes:

- 1. They wish to know if you are kind enough to be an honorary member of our Community;
- 2. If your good will is great enough to shoulder the role of a liaison man of our Community with the Education authorities in the Bay Area.

You know our urgent and great needs; you know also our limited capacity to meet them. Your help would be the most appreciated and for us unforgettable.

Again thank you very much.

Sincerely yours

KRYG EPENING Etefte - 1965 Daniel M. Hickey, a senior student at San Francisco State College, yesterday filed a missing persons report with Reno police for his father. Marshall (Mike) Hickey.

The youth, a Korean War veteran, said he had no idea of his father's whereabouts, and had even heard reports he may have met with foul play some time ago.

Hickey was well known in Reno several years ago as an official in the Bartender's Union.
